# BriteMED

BriteMED® **pCART-N1**

Ergonomic hospital trolley for medication purpose with front drawers

Features

- Aluminium-alloy structure ensures good durability and bump-resistant during movement
- 3-layer medication drawers allows multiple medicine storage and classification
- Powder coated surface facilitates clean and sterilization purpose
- Optional VESA 75/100 arm enables quick adjustment for ideal viewing position
- Concave desktop design and scratch-resistance surface increase the durability

Mobile Nursing Workstation

By integrating BriteMED® Battery Medical Cart PC, the computerized pCART-N1 becomes an intelligent medication workstation which creates clinical mobility that streamline the hospital workflow and enhance ward round efficiency.
